

Dental Center Pediatrics

Plymouth, MA

Appointment & Cancellation Policy

When you schedule an appointment with Dental Center Pediatrics, that time is reserved exclusively for your child. We set aside 15, 30, or 45 minutes depending on the planned procedure, and we cannot bill your insurance or collect our fee unless your child is present for the appointment.

48-Hour Notice Requirement

If you need to cancel or reschedule, we ask that you provide at least 48 hours' advance notice. This allows us to offer that time to another patient on our waitlist.

No-Show & Late Cancellation Fee

A fee of **\$50.00** will be assessed for any appointment that is missed or cancelled without at least 48 hours' notice. This fee must be paid prior to your child's next scheduled appointment. Appointments cancelled at the request of the provider will be rescheduled at no charge.

Late Arrivals

Appointments begin at the agreed-upon time. If you arrive more than 15 minutes late and have not notified the office, your appointment will be considered missed and the no-show fee will apply.

Appointment Confirmation

You are responsible for confirming your child's appointment when contacted by our office. Unconfirmed appointments may be offered to other waiting patients. If you arrive without having confirmed, it will be at the provider's discretion whether your child can be worked back into the schedule that day.

Repeated Missed Appointments

If your child misses two or more scheduled appointments — for any reason, including emergencies — or fails to cancel two or more appointments without 48 hours' notice, you will be required to obtain permission from both the office manager and the provider before scheduling the next appointment.

Your Responsibilities

- Notify this office of any changes to your address, email address, or phone number.
- Pay any outstanding no-show fees before your child's next visit.
- You are responsible for all costs incurred in the collection of any overdue balance, including collection agency fees, court fees, and/or attorney fees.

Thank you for being a valued patient family. This policy ensures that our doctors and hygienists remain available for all patients who need care.
